Building works to LLys y Mynydd have also been planned for mid 2020. Although a suitable alternative location is actively being sought, it has been agreed that Llys y Mynydd remain as polling station either an until an alternative is found or building works commence, whichever is the earlier. Ysgol Maes y Mynydd has been suggested and inspected and would be suitable, although potential car parking and safety issues have been identified, and these would need to be addressed.
