Who are we?

Wrexham County Borough Council is responsible for all schools within our area. We are part of a team that works for the Council to support these schools.

Our aims:

- To give all children the best chance to learn in excellent English speaking, Welsh speaking or Faith schools.
- To have safe and strong buildings.
- To make sure money for children is spent in a fair way.
- To give everybody the opportunity to have their voice heard and listened to in decisions that affect them.

What is happening at the moment?

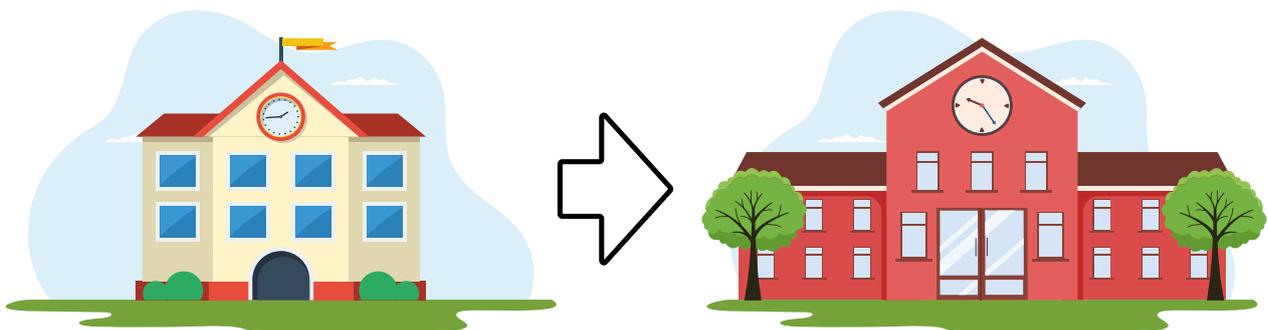

We would like to build a bigger St. Mary's CIW VA School on a new site.

This is because there are lots of new houses being built in Brymbo and the current St. Mary's CIW VA School is too small.

What is our idea?

We would like to build a larger school on a new site and increase the number of children who are able to attend the school.

When the new school is built, you and your classmates will move to the new school and learn in new classrooms.

What would change?

Your parents would have more choice of which school they would like to choose for your younger brothers and sisters.

There would be more children at your school when the new school is built you and your classmates will move to the new school.

Why do we think things need to change?

St. Mary's CIW VA School is too small for you and all of the children who will come to live in Brymbo in the future.

Why are we asking you?

We want to ask you what you think about our idea.

We will come to see your school Council and listen to what you have to say.

How long do things take?

People telling us what they think:

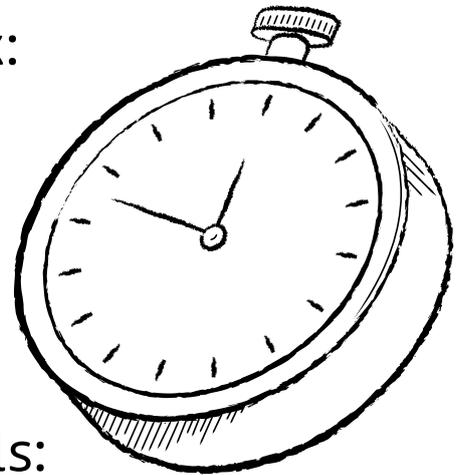

October 2023 - December 2023

Agreeing what we are doing:

September 2024

Opening the school to more pupils:

September 2025

Want to find out more?

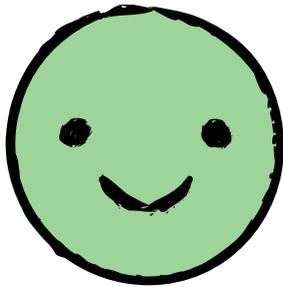

We have made this short and written in a way we hope you understand. We have sent a much bigger document to your parents, teachers and other people.
